As you begin,  
pause and look  
around you.  
What do you see,  
hear, smell...

Can you  
see new  
things  
starting?

WHAT DID YOU DO TO GET READY?  
DO YOU THINK THE WORLD IS READY?

I wonder where  
God begins?

LUDY

Adventures are full of unknown places and spaces. Can you make an adventure map - it might be a place you have wandered to or somewhere you would like to go....

can you always  
measure growth?

**row**

what is  
growing here?

what has been  
here the longest?

are things growing  
that aren't in the  
ground?

I wonder if  
God grows?

Are there ways that you would like to grow? Write them in the leaves or place your finger on a leaf as you think of something.

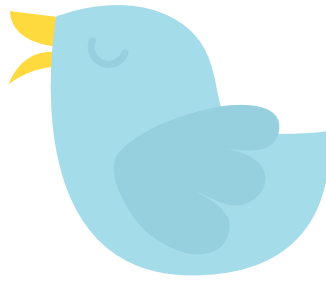

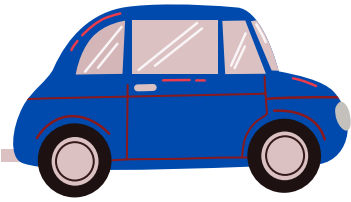

What are the things that help you grow?

Can you write or draw them in the ground.

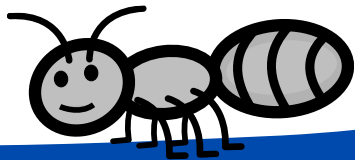

Thank God for these things.

# A LONE with love

Sometimes we can be so busy we don't notice all the world around us. What can you see?

As you pause  
listen to things  
around you....

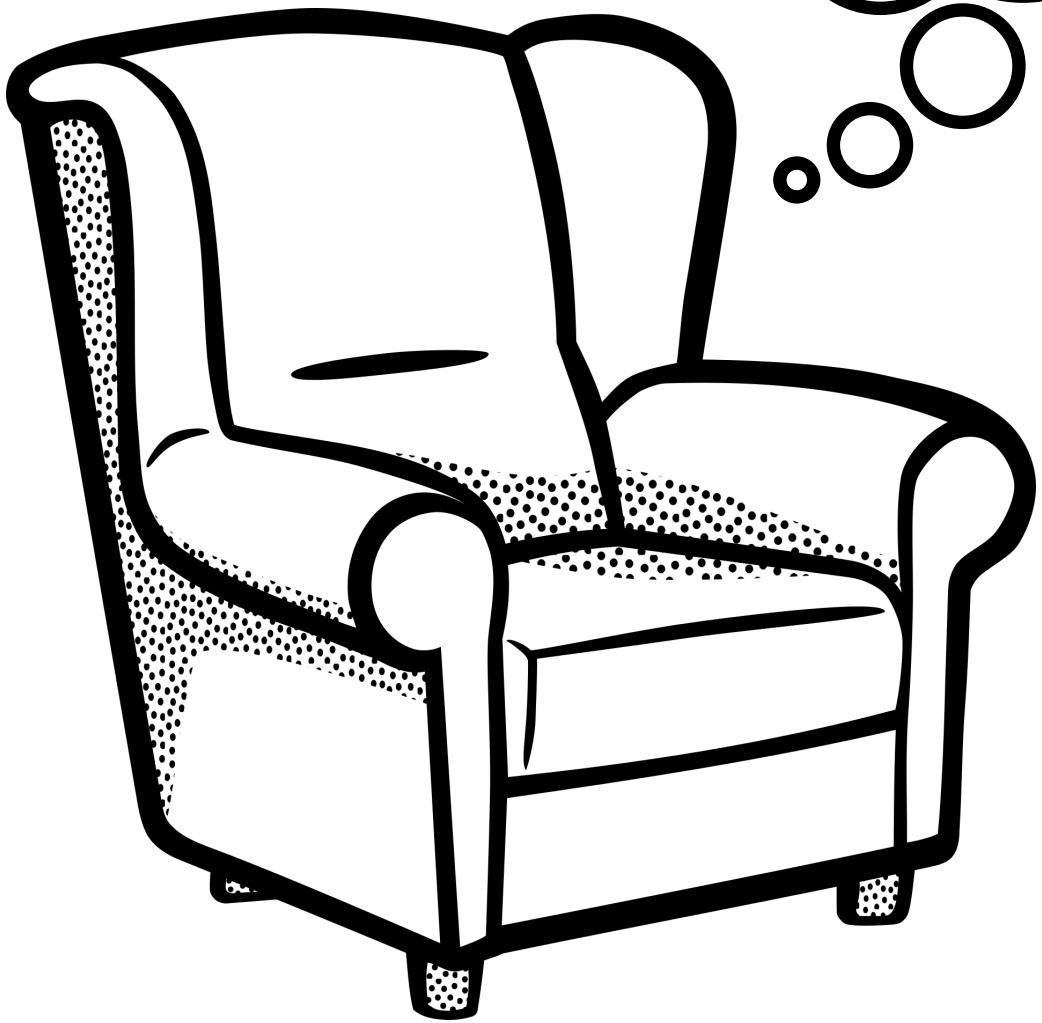

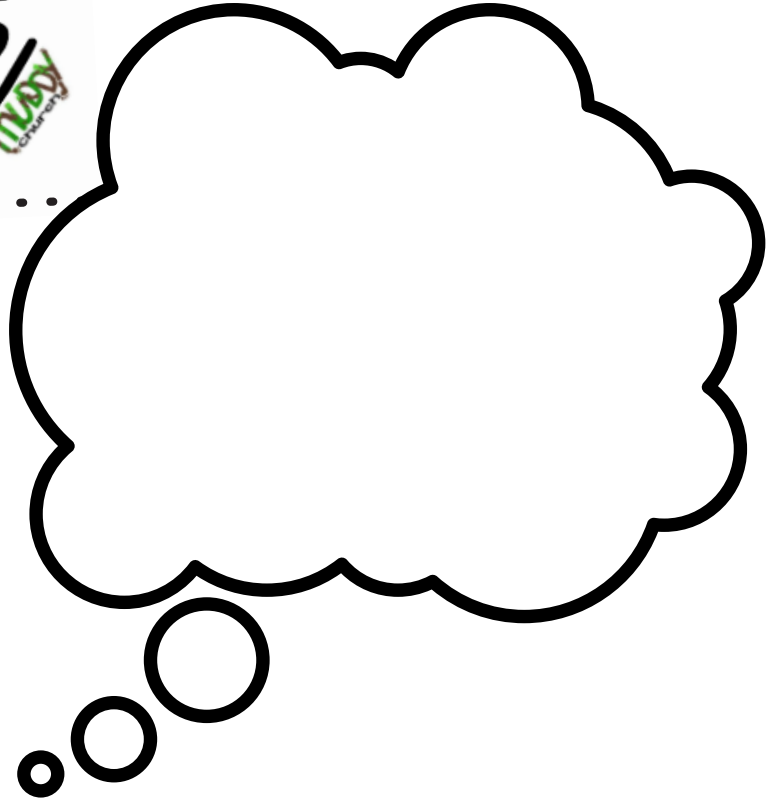

I wonder if God  
is ever lonely?

Use the image or make a paper chain of people. Who do you enjoy being with, sharing your time and spaces.

can you see where  
storms have been?

Take a few deep breaths.  
As you inhale, ask God to give you peace.  
As you exhale, release the things that are  
worrying you.

are there  
places that  
look angry?

I wonder if God  
shares peace?

love

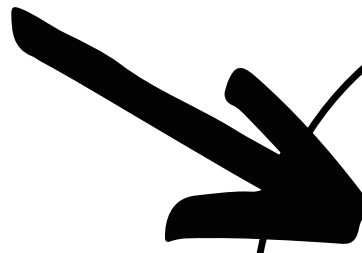

This world belongs to everyone, we all have a place to love and be loved. I wonder who you would add to the picture to share with you or where you might be?

# WHAT LETTERS DID YOU FIND?

The world is full of signs of love - birds singing, the sun rising, colours and all the wonder of creation. We hope as you have wandered you have seen love and you know you are loved.

Agape is a Greek word in the bible which means 'unconditional love'. That is giving love without expecting anything back.

what did you love about your wander?

Did you find love?

For God so loved the world that He gave His only Son. Whoever puts his trust in God's Son will not be lost but will have life that lasts forever.
